

## Thorold Alphabet Street Challenge

During the month of June, we are challenging everyone to get active and explore our community!

Here's how to participate:

- 1) Pick a street in Thorold that starts with the letter "A" (for example, Abbey Drive, Albert Street, Allanburg Road, etc) – this will be your first street to visit! Once you arrive, you can walk, run, wheel (or any other form of physical activity you choose) along this street to complete the letter. You can visit [https://geographic.org/streetview/canada/on/city\\_of\\_thorold.html](https://geographic.org/streetview/canada/on/city_of_thorold.html) if you need help finding streets.
- 2) Some streets are longer than others – so you can choose to travel the whole street, just a part of the street, or use that street as a starting point and explore the neighbourhood! There are no distance or time requirements – just challenge yourself or a friend or family member to get active.
- 3) Once you've completed your activity on that street, record it here: <https://forms.gle/72Qxhc6Ujr9ETcqNA>
- 4) Once you've completed your "A" street, go back to the list, pick a street from the "B" street, and complete it – continue through the whole alphabet.
- 5) If you complete the whole alphabet, you could win a prize! On the other side of this page, tell us what streets you visited, what activity you did, and how long you were active for, and we'll enter you for a Thorold Community Challenge Prize Pack!

## Thorold Alphabet Street Challenge

Street	Activity	Length of Activity
